

Our Accessories Offer

Home elevators range

Discover our new accessories range encapsulating at best the essence of Garaventa Lift: a brand that creates, designs and builds transcending convenience, seeking modernity and beauty.

Our Luxury Fixtures

With a sharper and smoother design, graceful mirror curves and stylish durability, the Luxury Fixture Line combines luxury and convenience without compromising style. COP matches hall stations. Includes a digital floor display, floor selections buttons with a mirror finish back-plate, an Ibutton and key fobs to enhance security. Hinges for all COP panels to assist with service and maintenance will also be included.

Our Standard Fixtures

With a digital floor display, floor selection buttons and emergency stop/alarm button, our Standard Fixture line includes safety and security. Technology is at the core of the design and it focuses on details such as an integral telephone providing a solid and comfortable feel to both the Car operating Panels and the Hall Stations.

All configurations are available in all colour finishes.

The advantages of the Luxury Fixture Line

Discover some highlights of the new features which significantly contribute to the improvement of the capabilities and the aesthetics of the cabins:

1

I-Button and key fobs to enhance security. Keys cannot be reproduced.

2

Hinges for all COP panels to assist with service and maintenance.

5

Rated Load (Lift Capacity) labels and Garaventa logo are now laser edged on the COPs' faceplates.

3

The Achille buttons in all the COP-s and Hall Stations with tactile lettering and a double light (white LED on background and blue LED when a call is registered).

4

A new customizable display equipped with all upgraded COPs allowing to show case customized visual content (your photos, your company logo...).

Our Handrails

A handrail is located on the control wall. Additional handrails can be mounted for extra passenger safety. Premium handrails are curved and return to the mounting wall.

Our Ceiling Lights

Four recessed low-voltage L.E.D light fixtures illuminate when the car gate s opened. A choice between standard and optional premium is offered to you.
